Independent living, with support

Norwich Housing Society is a registered social landlord with more than 80 years' experience. We manage more than 300 properties in and around Norwich, providing safe, secure accommodation for worry-free living.

Our properties are for older people who live independently but with the reassurance of being part of a friendly community, with neighbours who look out for one another and Scheme Managers who really care. Our trained staff provide qualified and personalised support.

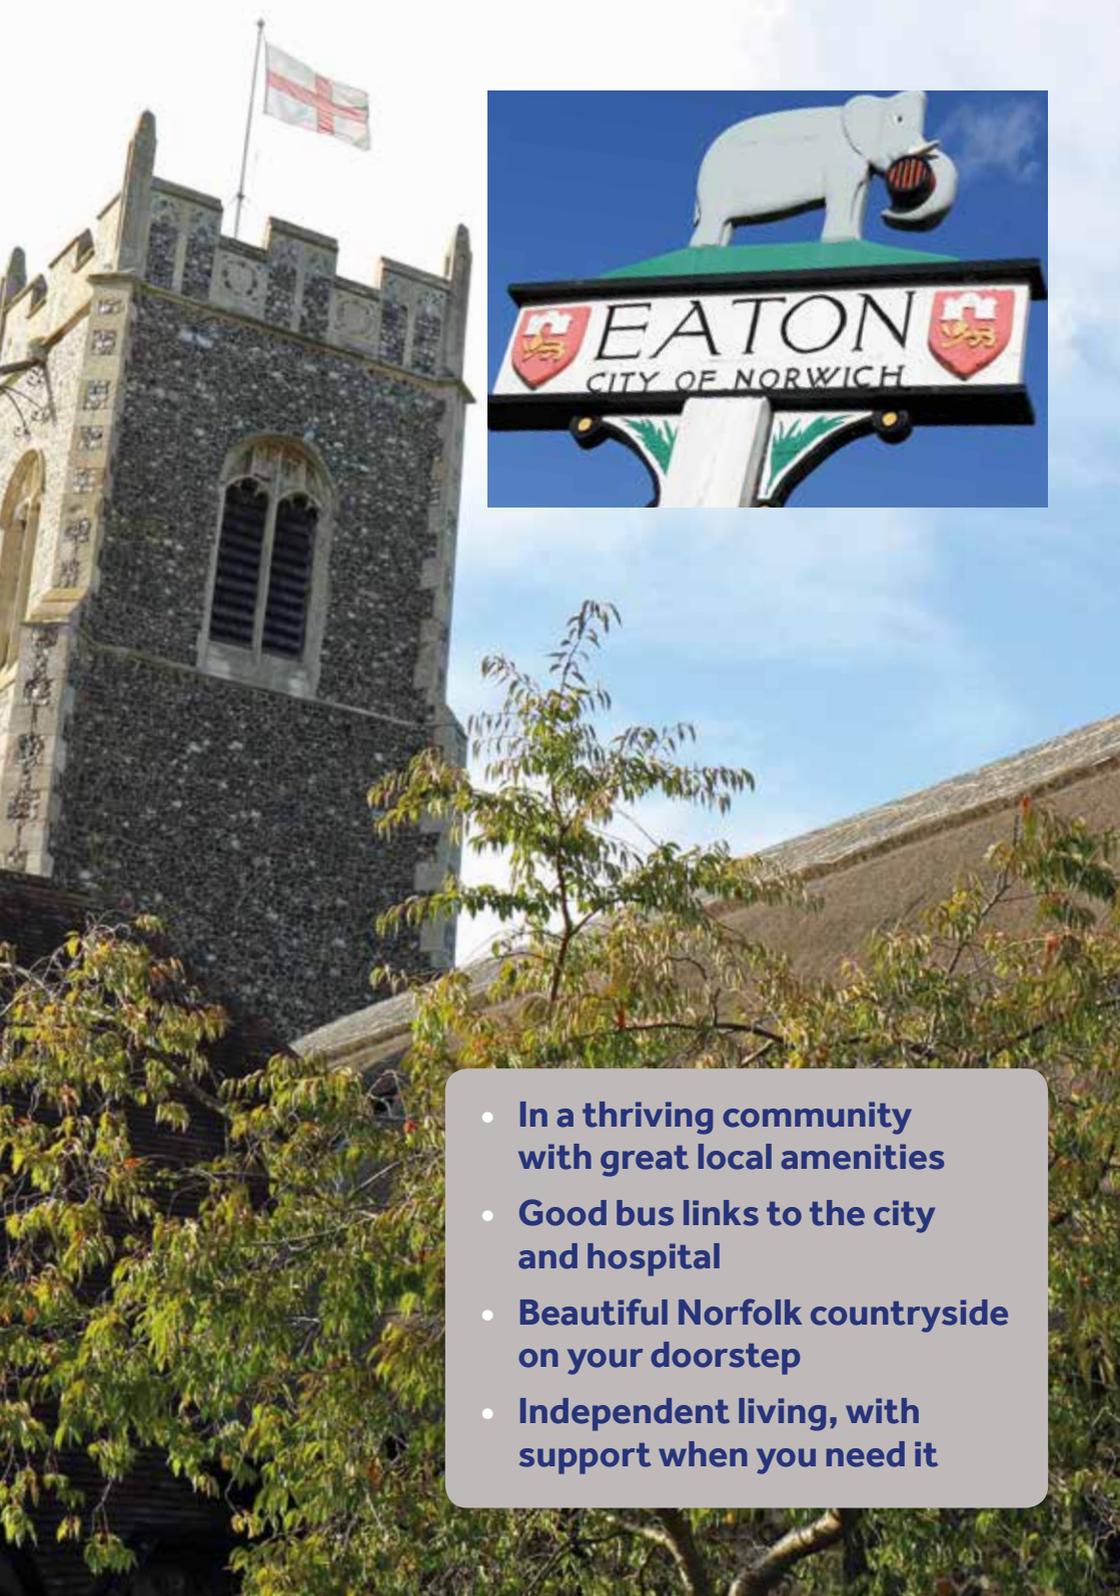

Our experienced and approachable Scheme Managers are an important part of daily life, with a friendly face and regular chats.

Anyone can register their interest in a property at Leander Court, but as a registered social landlord, we allocate properties in accordance with housing need and to those over the age of 60.

Simply call our friendly team to find out more and register your interest.

We operate a pendant and pull cord system in every property with increased support where necessary, so our tenants can be reassured and worry-free.

Living in Eaton

Eaton Village is a great place to live. On your doorstep you'll find a Waitrose supermarket, pharmacy, Post Office, opticians and other shops and cafes. The Yare Valley walks are easy to reach, with the wide-open spaces of Eaton Park close by too.

There are plenty of clubs, groups and exercise classes, a local doctors surgery and good transport links to the hospital and Norwich City Centre, where you'll find cobbled streets, a wealth of history and many shops, restaurants, cinemas and theatres.

- **In a thriving community with great local amenities**
- **Good bus links to the city and hospital**
- **Beautiful Norfolk countryside on your doorstep**
- **Independent living, with support when you need it**
